

FOOD MATTERS

THE CATERING CO.

SERVING UP SUCCESS AT CORPORATE EVENTS

True to our name, we understand that food matters and that serving a meal is about so much more than just feeding people. Food is a chance to nourish, connect with, and impress your guests. And when it comes to a corporate event, much of its success will depend on your guests' experience with the menu.

Avoid disappointment - hire a caterer company that understands what it takes to successfully cater a corporate event. Hire Food Matters.

JUST A LITTLE BITE (about us)

Headed by internationally trained chef, Jacqui Rey, Food Matters is so much more than a catering company. From corporate events to private functions, we specialise in creating customised catering experiences and are proud of our reputation as gourmet chefs who come to the party on every front.

We bring the highest quality standards to bear on all our offerings, from the food, to the bar, to our signature cakes. End of year staff function, client presentation, conference or whatever your corporate event, we're the professional catering team you've been looking for.

WHEN WE CATER TO YOUR EVENT, YOU WILL ENJOY:

- A customised menu using only the highest quality ingredients
- The experience that comes with over 25 years in the catering industry
- Input from our head chef every step of the way
- The support of trained serving staff that understand the importance of excellent service

CATERING CORPORATE

Corporate events are not the same as weddings or birthday parties. They require on-the-ball timing and execution. Whatever the venue, group size, or menu requirements, we have the expertise and experience to ensure a hassle-free catering experience.

WHAT'S LIFE WITHOUT CAKE?

From cheese towers to layer cakes to cupcake delights, cakes are a Food Matters' speciality. Whatever the cake, whatever the occasion, we can whip up a slice (or ten) of cake heaven to add that something special to your event.

FROM NIBBLE TO NIGHT CAP

Need waitrons, bar staff, and support staff? We can supply them for you! From designing and delivering your menu to ensuring your guests are never empty-handed, we handle all your catering needs so you can focus on other tasks and ultimately enjoy a successful event.

WE'RE A FULL SERVICE CATERING COMPANY

While we are experts in corporate catering, we also supply full-service custom catering for private parties, functions, and weddings within Durban, Umhlanga, Ballito, Zinkwazi, the North & South Coast, Nottingham Road & the Midlands, and surrounding KZN areas. We love what we do and no event is too big or too small for us!
